4. 在统一身份认证平台中输入“校园卡号或学号”及“密码”，
点击“提交”，进行身份验证。

The image shows a mobile application interface for the '统一身份认证 - 用户登录' (Unified Identity Authentication - User Login) page. At the top, there is a dark header with a lock icon and the text '统一身份认证 - 用户登录' and a refresh icon. Below the header, the Zhengzhou University logo and name are displayed in both Chinese and English. The main title 'CARSI资源平台' is prominently shown in red. There are two input fields: the first is for '校园卡号或学号' (Campus Card Number or Student ID) with a person icon, and the second is for '学生密码与教务或研究生系统相同' (Student Password, same as the Academic or Graduate System) with a lock icon. A blue '提交' (Submit) button is located below the password field. At the bottom, there are links for '原内部信息网' (Original Internal Information Network), '郑大对外官网' (Zhengzhou University Official Website), '忘记密码' (Forgot Password), and '登录说明' (Login Instructions). The footer contains the text '郑州大学 版权所有 © 2018'.

5. 身份验证通过后，即可显示访问的 Nature 资源。
